

The architectural drawings include a longitudinal section (top left) showing the internal staircase and structural elements, with labels A, B, C, and D. To the right are two elevations: the front elevation (top right) and the side elevation (bottom right). Below the section is a perspective view (bottom left) of the entrance area, featuring a semi-circular archway and a set of stairs. A scale bar at the bottom right indicates a scale of 1:100, with markings for 0, 1, 2, 5, and 10 meters.
